

Never Ridden?

→ Take this Voucher to Everett Powersport for a **FREE 20 minute ride** on the *Honda SMART* simulator with compliments of WMST.

The Honda SMART is a traffic simulator specifically designed to give riders a real-world experience of riding in traffic on public roads. It provides a no-risk introduction to the hazards of street riding. The SMART helps beginner riders become aware of the potential dangers that exist out there in the real world; erratic traffic, bad drivers, merging vehicles, congestion, blind spots, etc.

→ Call **800-735-7031** to book your free ride.

Terms and conditions apply. See instore for details. No purchase nessecary. One ride per person. Not required for course preparation or registration.
