

How to obtain an instructional permit:

1. Visit www.dol.wa.gov, click on pre-apply for 1st WA license. Click apply online.
2. Fill out required information. You will then receive an email from the DOL, this email will contain a link to complete your license express registration. Click it. Follow prompts to complete registration.
3. Once you've completed the registration for your license express account you will be issued a Washington State ID number. This number will start with WDL and will contain both numbers and letters.
4. You will need to email drive@gowmst.com or call the office 425-252-9913 or come in person to WMST with the WDL number if you have already registered for the Teen Drivers Education course, or for DOL Knowledge / Skills Testing.
5. If you are enrolled in the Teen Drivers Education course upon WMST receiving your WDL number we will put in a waiver to the DOL allowing you to obtain your permit without needing to take the DOL Knowledge Test. 10 days prior to the start of your class you may go to the DOL and obtain your permit. (Please review the requirements for obtaining your permit at www.dol.wa.gov and select getting your permit.)
