

Riding Gear Checklist

For your own protection and safety, you must come prepared to ride with the required riding gear:

- ☒ A helmet that meets DOT standards. We do have loaner helmets if one is needed.
- ☒ Long jeans or heavier material pants with no rip, tears or holes.
- ☒ Long sleeve shirt or jacket that is weather appropriate.
- ☒ Eye protection such as glasses, sunglasses, safety glasses or goggles.
- ☒ Sturdy boots that cover the entire ankle with no more than a 1-inch heel. **Absolutely NO canvas high tops or boots that have any elastic ankle covering.** Riding boots must be sturdy material and cover the entire ankle without any elastic for your own protection.
- ☒ Gloves that are abrasion resistant that cover the entire hand such as mechanic or riding gloves.
